

# Oh Carol

Chris Norman

Well I was out cruisin', getting late and I was losin'  
When I saw you walking my way  
So nonchalant, I bet you get what you want  
But so do I and I ain't losing today  
Well your hips were swinging and your jeans were clinging  
You were driving me out of my mind  
On a hot afternoon when there's nothing to do  
Your not the sort of thing a fellow should find

So I pulled on over, tossed your hair off your shoulder  
When you turned and you looked my way  
Oh you would have died or you'd have skinned me alive  
If I'd have said what I wanted to say  
So being polite said what you doin' tonight  
You said just so happens I'm free  
You got all the right curves and all the right words  
And that's alright by me

Oh Carol you got me eatin' my heart away  
You got me countin' my nights and days  
Oh I am floatin' on the milky way  
Oh Carol nobody's done it before  
Oh baby you've opened the door  
Oh Carol you can do it some more

Well if you're ready for this when we started to kiss  
She said hold on a minute or two  
Well naturally I knew it couldn't be me  
I said baby what's troublin' you  
She said I'm just sixteen if you know what I mean  
So we sat and we talked for a while  
And when we finally kissed you know she didn't resist  
And I must say she did it with style

Oh Carol you got me eatin' my heart away  
You got me countin' my nights and days  
Oh I am floatin' on the milky way  
Oh Carol nobody's done it before  
Oh baby you've opened the door  
Oh Carol you can do it some more

Well I was out cruisin', getting late and I was losin'  
When I saw you walking my way  
So nonchalant, I bet you get what you want  
But so do I and I ain't losing today

Oh Carol you got me eatin' my heart away  
You got me countin' my nights and days  
Oh I am floatin' on the milky way  
Oh Carol nobody's done it before  
Oh baby you've opened the door  
Oh Carol you can do it some more
