

Someone Is Missing You

Chris Norman

Can you hear the whisper
The rhythm of the rain
Are you trying to escape
The lonely night

Can you hold the memories
The moments full of shame
Try to lift your head
To see the light

You're keeping all your secrets
In a box of ice

When you stay at home
And your feelings turn into blue
Every moment brings you pain
You are much too tired to sleep
And you don't know what to do
You will know
That someone is missing you

Don't regret your feelings
Don't regret a tear
Don't always run
Away from truth

Try to keep the moment
Every minute of your life
The world is moving on
And so will I

You're keeping all your secrets
In a box of ice

When you stay at home
And your feelings turn into blue
Every moment brings you pain
You are much too tired to sleep
And you don't know what to do
You will know
That someone is missing you
That someone is missing you
That someone is missing you

Woman don't regret your feelings
Woman don't regret your tear

Chorus:

When you stay at home
And your feelings turn into blue
Every moment brings you pain
You are much too tired to sleep
And you don't know what to do
You will know
That someone is missing you
That someone is missing you
That someone is missing you

That someone is missing you
That someone is missing you ...
