

Still In Love With You

Chris Norman

I get the same old feeling
Whenever I'm with you
What else can I do
I can't help it
I can't help it
I'm still in love with you

I get the same old yearning
When you are by my side
Oh it's a feeling I can't hide
I can't help it
No I can't help it
I can't help it
Oh baby I can't help it
I'm still in love with you

No one thrills me like you do
No one hurts as much as you
(In a long and lonely night)
Oh I wake up calling out your name
'Cos since you've gone
Nothing seems the same
Believe me darlin'
Ooh, ooh

Nothing seems the same, baby
I can't help it
Oh I can't help it
I'm still in love with you
Oh listen to what I say, baby

No one thrills me like you do
No one hurts as much as you
(In a long and lonely night)
I wake up calling out your name
You know since you've gone
Nothing seems the same
No, no, ooh

I get the same old feeling
Whenever I'm with you
But what am I gonna do
I can't help it
I can't help it
I can't help it
Oh baby, I can't help it
I'm still in love with you

(Same old feeling)
Oh, I'm still in love with you
(Same old feeling)
Believe me baby
I'm still in love, still in love with you
(Same old feeling)
I'm still in love with you
