

These Arms Of Mine

Chris Norman

I can wait for you
I can wait for ever if you want me to
Just give me a little sign
If you think there's a chance, show me what to do
I keep holdin' on
For someone just like you, you're exactly what I need
I've been wastin' time
Give me what I want, satisfaction guaranteed

Oh these arms of mine
Reach for you a thousand times
Heaven must be in your eyes
I need your love one more time
Oh these arms of mine
Reach for you a thousand times
For ever you'll be in my heart
I'll hold you in these arms of mine

I've been watchin' you
You and me togehter, we just can't go wrong
Gonna take a little time
Try and make you mine, I'll keep holdin on
I've been waitin' for so long
For someone just like you, you're exactly what I need
No more wastin' time
Give me what I want, satisfaction guaranteed

Oh these arms of mine
Reach for you a thousand times
Heaven must be in your eyes
I need your love one more time
Oh these arms of mine
Reach for you a thousand times
For ever you'll be in my heart
I'll hold you in these arms of mine

Oh these arms of mine
Reach for you a thousand times
Heaven must be in your eyes
I need your love one more time
Oh these arms of mine
Reach for you a thousand times
For ever you'll be in my heart
I'll hold you in these arms of mine ...
