

Turn Right, Turn Wrong

Chris Norman

Turn right turn wrong I turn around and you're gone
And you're never coming back, no you're never coming back
This time I won't wait I won't cry it's to late
Cos you're never coming back, no you're never coming back

I'll get used to this feeling
I'm gonna have to find a meaning
Love hurts but I won't let it
I gotta try, I can't forget it now

Turn right turn wrong I turn around and your gone
And you're never coming back, no you're never coming back

You didn't give me any reason
And when you told me you stopped me breathing
You cut me off and let it go
Oh you were cool but I don't know you now

Turn right turn wrong I turn around and your gone
And you're never coming back, no you're never coming back
Oh you're never coming back, no you're never coming back
