Who Can Make Me Laugh

Chris Norman

You can make me laugh

you can make my fly
you can give me ring
you do most anything
anything and everything

If you're really going downtown, babe sinkin' bottle of wine if you're feeling like a clown now, babe won't you give me a sign if you feel you don't belong, yeah and you're waiting for a good year will you run out of time will you drop me a line?

An you can take a bath

ah you can take a gym
(and darling...)
I can do most anything,
anything and everything
with you, you, you,...
