

Can't Stay Blues

Chris Rea

You know I love you Mama
You know I do
I'll always love you Mama
But I've got the can't stay blues
I don't know what it is
That keeps driving me on
I don't know what it is
That keeps driving me on
Something burns inside me when I'm not moving on
I can't stay

Oh I hear a voice inside my soul
And I hear what it says
Oh I've got to be moving
at the break of day
I can't stay

Something calling out to me
on the other side of that door
No matter how far I go
My soul cries out for more
I can't stay
I've got the can't stay blues
