

Lord Tell Me It Won't Be Long

Chris Rea

Oh Lord, tell me it won't be long

I'll take this pain, but tell me it won't be long
Oh Lord please tell me it won't be long

Oh they say the Lord is waiting
And I try to do no wrong
And the tears we cry will all run dry
On the other side they'll be gone

Oh Lord tell me it won't be long
