

## Second One to Know

Chris Stapleton

Don't put my love on your back burner  
Never let anything that hot get cold  
And if you ever change your mind  
Wanna leave my love behind  
Just let me be the second one to know  
Yeah, the second one to know

Hold up my right hand  
Swear to the Promise Land  
I'd rather die before I treat you bad  
All I ask of you  
Is treat me the same way, too  
Cause I don't want to lose this thing we have

Don't put my love on your back burner  
Never let anything that hot get cold  
And if you ever change your mind  
Wanna leave my love behind  
Just let me be the second one to know  
Yeah, the second one to know

First you stole my heart  
That was the easy part  
Don't ever tell me that crime don't pay  
Now that it's in your hand  
I want you to understand  
I would've given it to you anyway

Don't put my love on your back burner  
Never let anything that hot get cold  
And if you ever change your mind  
Wanna leave my love behind  
Just let me be the second one to know  
Yeah, the second one to know
