

Everyday bitch, I wake up and feel a lil different  
I got these hoes out they head, like they on meds, fill the prescription  
Take a good dose of these mixtures, sorry if it already hit ya  
Run up my money and vanish, prolly discover a planet  
I got yo bitch in her jammies, through them Backwoods and candy  
7-11, 4 in the mornin', no breakfast, just good sex and leverage  
Boy I'm in heaven, I'm a need somewhere to stretch it  
Talkin' about money let's get it I'm ready  
I can't be worried about you cause you petty  
Niggas ain't nowhere near me so let's get it, bitch

Bitch I am spazzin ain't no lookin back  
Smoke up a sack  
Most of these niggas just rap  
Don't got the shit that they rap  
Know how to act  
Boi I state facts  
If I don't got it I get it lil nigga now run and pay dat  
Bitch what I got I don't lie bout that shit doesn't matter materials can't v  
ouch where I'm at

Bitch I'm still standin  
Come in and cut you like freddy  
Fuck what you sayin I'm hefty  
Teach you a lesson  
If you know me it's a blessin  
Lil nigga never be question  
Bitch I'm still standing  
Come in and cut you like Freddy  
Fuck what you sayin I'm hefty  
Teach you a lesson  
If you know me it's a blessin  
Lil nigga never be question

Waken and baken  
Thowin it up by the acre, nigga  
Nobody made me  
Poor nigga save it  
I've been a man since a baby  
Teenagers drive bitches crazy  
Smoke till the 80s  
Some of this new shit can't play it  
Man niggas ain't different  
Better be somewhere you fuck niggas isn't  
I really don't get it  
Waken and baken  
Thowin it up by the acre, nigga  
Nobody made me  
Fuck nigga save it  
I've been a man since a baby  
Teenagers drive bitches crazy  
Smoke till the 80s  
Some of this new shit can't play it  
Man niggas ain't different  
Better be somewhere you fuck niggas isn't  
I really don't get it
