

Been Froze

Chris Travis

Heard The Signal, Pay The Leaders Been Froze (Signal)
I Just Heard The Signal, Pay The Leaders Been Froze
(You a Sick Hoe)

I Just Heard The Signal, Pay The Leaders Been Froze
Baby You a Sick Hoe, Give Me Top and Then I Go
Turn Me to a Dark Soul, Lost In Time Warhol
Wishing You Could Get Choked, But You See I Moved On

I Just Heard The Signal, Pay The Leaders Been Froze
Baby You a Sick Hoe, Give Me Top and Then I Go
Turn Me to a Dark Soul, Lost In Time Warhol
Wishing You Could Get Choked, But You See I Moved On

Yeah You See I've Moved On
Cutting Hoes Like Cure The Pond
Still a Playa Like I'm Pond
Sleep Alone With My Gun
I Had That From The Jump
I Remember It Was Nun
Now I'm Up In London Jumping In That Crowd Bitch I Run
She Just Took a Shot Doe
I Just Grab Me a Fo
I'm Gonna Fuck Her, Take Her Soul
She Do What I Say So
All My Niggas They All Go
I Can't Ever Ever Fo
Man This Water Shit For Life
I Won't Ever Let It Go

I Just Heard The Signal, Pay The Leaders Been Froze
Baby You a Sick Hoe, Give Me Top and Then I Go
Turn Me to a Dark Soul, Lost In Time Warhol
Wishing You Could Get Choked But You See I Moved On

I Just Heard The Signal, Pay The Leaders Been Froze
Baby You a Sick Hoe, Give Me Top and Then I Go
Turn Me to a Dark Soul, Lost In Time Warhol
Wishing You Could Get Choked But You See I Moved On

But You See I Moved On...
Now You See I Moved On...
Now You Wanna Come Back... Bitch Away...
