

Break Shit

Chris Travis

Bitch I break shit, built shit, kill shit, feel this
Stone fist, boy I'm on my own, bitch
Water on my soul, bitch
Water on my soul, bitch
Water on my throne, bitch
Water on my throne, bitch (haha)

Wrist froze, wrist cold, bitch know I smoke O's
Keep do-ping yo' ass a ten fold, boy know
Here it goes tell my bitch to fist hoes
Tell my bitch don't kiss hoes, boy that girl is shit [?] (hol'
up [x4])
Bitch 10k for my pennin', you ain't straight if you switchin'
I'll be crazed for these millions, find the treasure if you win
Hold a dick up in her mouth, do it when she pout
Then I let it out, then she open up

Break shit, blipp shit, kill shit, feel this
Stone fist, boy I'm on my own, bitch
Water on my soul, bitch
Water on my soul, bitch
Water on my throne, bitch
Water on my throne, bitch (hol' up)
