

## Current Motion

Chris Travis

Oh yeah, she like oh yeah  
She like oh yeah  
Still here, we progress here  
Nothin less here  
Focused, bitch I'm focused  
I'm in a ocean  
Floatin til I'm so in the current motion

Young nigga but I'm OG  
And yes I'm only, you know me  
From the Orange to damn East  
My family, protect my family cause it get hectic  
And I'm probably in yo section givin ya'll the blessin  
You know it  
These niggas faking, they imitating  
Waitin' on my damn day  
Til that Ima blaze it  
Famous, they think I'm famous  
But I'm in danger  
The bigger the fucking picture, the shit get weirder

Oh yeah, she like oh yeah  
She like oh yeah  
Still here, we progress here  
Nothin less here  
Focused, bitch I'm focused  
I'm in a ocean  
Floatin til I'm so in the current motion
