

## Low Life

Chris Travis

Big blunt smoke no ridin' hidin', been a low life recent day th  
ey can't find me  
Toast to the motherfuckin' great Your Highness, most of these n  
iggas be off like the climate  
Stylish, wildin', overly [?], she want to go wherever a challen  
ge  
I be the nigga, you copy a nigga, and think that your style is  
original, childish  
[x2]

Leave you never ever lonely, I know you was right with me so wa  
ssup  
You say I am not your focus, but you wanna be with me so wassup  
Are you in love?, I was askin out for lonely, need someone to h  
old me so wassup  
Are you in love? (are you in love?), I was askin out for lonely  
, need someone to hold me wassup
