

# Over And Over

Chris Travis

(Over and over, over, over, over)

I say night's getting cold and my heart stay frozen  
Said if I go home will it all be gone, oh  
No cars oh, no hoes oh  
No flowers oh, no clothes

I say night's getting cold and my heart stay frozen  
Said if I go home will it all be gone, oh  
No cars oh, no hoes oh  
No flowers oh, no clothes

She don't even know what the fuck I know  
And I don't even know what the fuck she knows  
Baby come in here we can go see mo [?]  
Real cash shawty when I'm on the free roll  
Face time these hoes with they lingerie on  
Hundred thousand times I even drop my phone  
The way you look so good  
But I'm long way way home  
You feel my soul when you play my song  
For this, but I'm always gone  
Oh baby I'm always home

(Over, over, over, over)

I say night's getting cold and my heart stay frozen  
Said if I go home will it all be gone, oh  
No cars oh, no hoes oh  
No flowers oh, no clothes

I say night's getting cold and my heart stay frozen  
Said if I go home will it all be gone, oh

Making money just for you
