I stimulate my brain with this bitch named Mary Jane
She wanna get my treat but I told this bitch she can't
I'm pouring up zips I got narcotics in my drank

I'm drinking pink soda with a side of pizza mane
The shit be so delicious bringing bitches in my kitchen
Them hoes ain't water whipping they just cooking food and strippin'
Meanwhile I'm chilling, ate some shrooms so I'm tripping
Hop in to the funk bitch the psychedelic spirits
Sipping so much lean a nigga pissing purple urine
I open up they mouth hoe they swallow up my children
She drunker than a bitch and popped some pills so she feel it
She got butt naked and said nigga let's get it
I said bitch okay, ain't no shame up in my gang
She full of this shit and barely know her whole name
I gave her a piece now she want the whole thing
