Chris Travis

Ice on me, cashing checks I think I'm Richie Rich
Tell that hoe its over like a skit
In the water drinking like a breeze
In the water looking like a fish
Boy I am a shark you is a bitch
Fuck that bitch and told her I don't kiss
Put her on a boat just like a fleet
All my niggas on shit

All these niggas they some bitch
Sipping on that lean let it dip
All my diamonds boy yeah they glis'
Ya hoe wanna fuck, [?]
She just wanna fuck and take a pic

All these niggas acting like a bitch

Why these niggas talking like a bitch?
These niggas mad 'cause I'm so hit

Told her bounce that ass and suck my dick
