

# Scrub The Ground

Chris Travis

Hey  
C'mon baby dance with me  
C'mon baby lose your T  
C'mon baby lets go scream

C'mon baby, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground

Turn around, scrub  
Turn around and scrub, love  
Turn around and scrub  
Turn around and scrub, love  
Turn around and scrub  
Turn around and scrub, love  
Turn around and scrub  
Turn around and scrub, love

You see me like 3-d  
I see you like hospitals girl  
You know me from M-e-m-p-h-i-s  
Across my chest  
Let me see you get naked, flexing  
Let me see you get naked, flexing  
Let me see you get naked, flexing  
Let me see you twirl-twirl it  
Twirl-oh-oo

Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground-

I see you across the place-  
Don't know what to fucking say-  
But you know I'm not cliché-  
Okay, okay, okay-e-ay

You see me, I see you  
What you want?  
To beg you girl? Beg?  
(Don't know what to say)  
Beg you girl? Beg?  
Oo-oh-oo-oh

C'mon baby, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground, scrub the ground  
Scrub the ground

(Turn around)  
Ow-wea-wea-we-ow  
Ow-wea-wea-we-ow  
Ow-wea-wea-we-ow

Ow-wea-wea  
Scrub, scrub my love  
C'mon and scrub, scrub my love  
Just step and love, love my love  
C'mon and scrub, scrub my love  
C'mon and scrub
