Codeine in this cup  
Sour Cherry in my blunt  
And that's word to Cali my nigga  
Go on pour me up

And that's word to Cali my nigga

Shoutsout my niggas in Cali  
Smoking on that Maui Wau  
Fuck niggas trying to doubt me  
But it ain't the same without me  
Sip that lean get a little drowsy  
[?] from round me  
Lowkey my nigga, come find me  
Deep in your bitch vagina  
Hell naw my nigga, you lying  
I buy it, I don't supply it  
That's your bitch I let her come ride it  
Say goodbye to your lil' wifey

Said her main nigga trifling  
Got up in her head  
Now the bitch said she want to bite me
