

The Intercontinental

Chris Travis

(Goose you a fool)

Pulling, attending
And a shawty on me
Nigga back back choppa on me
Nigga back back choppa on me
Nigga bet all these fuck niggas plottin'
Pocket watching all these fuck niggas watching
Bitch I'm counting up the guap and you can stop it
In every continent I'm fucking loved a lot

Imma stretch her, in her Tesla
Feeling extra, I'm so extra
Damn shawty extra, fuck her on the dresser
Never it's no pressure, never it's no pressure
[?]
Get up on my level, pussy check my schedule
Baby Imma hit them, they call me a rebel
Baby it ain't easy, dancin' with the devil
Bitch I'm sliding, trunk banging
Dress hanging, blunts flamin'
Honor your bitch but I control her energy
I put trial on your bitch but I can't stand her Tennessee
I'm counting rods in the six and I can't smell no enemies
And Imma star when I hit, while I tip on Hennessy
Imma set it off, ya stretch it out
Yeah build it up, ya flexin' all

Pulling, attending
And a shawty on me
Nigga back back choppa on me
Nigga back back choppa on me
Nigga bet all these fuck niggas plottin'
Pocket watching all these fuck niggas watching
Bitch I'm counting up the guap and you can stop it
In every continent I'm fucking loved a lot, bitch
