

The Movement

Chris Travis

Everyday it's like a movie
You see me out here, you see me out here
I can't be caught up, I can't lose me
You hear me out here, you hear me out here
Waterboyz be the movement
You see us out here, you see us out here
I can't ever be removed G
Bitch imma stand here, bitch imma stand here
I know your antics ain't gon' move me
Bitch imma stand here, bitch imma stand here
I promise everyday I'm movin'
You see me out here, you see me out here

Standin' here right where I stand, I can not fall for no man
Put that shit right in my hand, I take it as far as I can
And that shit gon' be forever, I'm just the best that's getting
better
If you can stand on my level, could you take care of yourself
Could you take care of your fam, could you go as far as I can
Promise there is no limit, you want some money, go get it
You want that shit, go get it, you want that life then go live
it
And make sure you watchin' yo back, cause most of these niggas
are trash
I'm livin' there for the moment, can't go back to the past
Fuck it we ballin' at the moment, livin' it like its our last
Spendin' it if it's my last, I know I'll get it right back
Wake up and thankin' the Lord, cause all this material gon' last

Everyday it's like a movie
You see me out here, you see me out here
I can't be caught up, I can't lose me
You hear me out here, you hear me out here
Waterboyz be the movement
You see us out here, you see us out here
