

Undeniable

Chris Travis

The essence of becoming, a Water Boy
See this Water Boy shit nigga, it's pured me
It's spiritual nigga
Down on my face shit nigga and all these niggas want it
Every body want in

Water, you can catch me near an ocean
I'm floating and coasting, she rolling, I'm rolling
I'm holding my money
Left hand in her undies
I don't play no games bitch
I'm armed like the army
You dummies is funny, ya'll could never harm me
Leave your ass tarnished
I'm riding with a foreign, and she gorgeous
I'm honest, she flexing, she want it
She crazy, I'm on it
I'm flexing, she want me

Screenshots of my texts in your camera roll
Man I swear to God I'm sick of all these camera hoes
I don't want to fuck unless she got a camel toe
All these niggas biting me but they still starving though
I love this rap shit but I ain't reach my bargains though
Rap niggas copy me they see my artist growth
Ya'll niggas ain't shit but an artist choke
Niggas used to say, Kenshin rap too slow
Now everybody playing turtle, ya'll can get roped
Want a relationship, bitch sign this oath
Me and your bitch making hundred dollar toast
She love a nigga, got her tryna' to use my lingo
