

Accordingly

Chris Whitley

Businessmen like babes, lay sleeping on the lawn
Cops are standing naked, breaking into song
If I took her now as the one for me
Could effect a change accordingly

Statesmen and salesmen bend to kiss the ground
Lawyers and losers hold hands and hang around
If I took her now as the one for me
I could effect a change accordingly

What if I would place my trust in you
If I had no doubt the way I do?
I could take you now as the one for me
Could effect a change accordingly
Could effect a change accordingly
