

Fragile

Chrisette Michele

It's a long shot, but I'm feeling kind of bold
when I saw you, then my heart's at full control
Can we go, oooh baby, somewhere we can get to know each other

I'm kind of anxious, see I'm not the kind of girl
that would do this, I'm so far outside my world
But if I don't, I don't tell you baby, it'll kill me to never know, oooh

Don't you leave me (Don't leave me)
Out on a limb (out on a limb)
Can you see me (Can you see me)
Here on the edge (Here on the edge)?
Boy don't tell me no, don't tell me no
While my heart is fragile, oooooh
La la la la la la la la oh oh fragile lalalalalalalal eh

Boy don't tell me no, don't tell me no
Ooh, my heart is fragile

I ain't begging, that ain't never been my style, something is different when
I'm looking in your eyes

I lose, I lose my cool baby, the closer that you get to me ooohh

I can't take another second, ohh I'm jumping out my skin, if loving is the game,
then boy you got to let me win oooh baby, baby, baby, its like I can barely breathe
No no no no no no!

Don't leave me (Don't leave me)
Out on a limb (out on a limb)
Can you see me (Can you see me)
Here on the edge (Here on the edge)
Boy don't tell me no, don't tell me no
cos my heart is fragile, yeah yeah!
La la la la la la la la oh oh fragile lalalalalalalalala eh
Boy don't tell me no, don't tell me no
cause my heart is fragile, yeah yeah yeah yeah yea

I ain't begging, I wont plead,
I'm just asking you to see
You will see me
You see me boy
I ain't like this normally, I'm acting kind of foolishly
But don't you think, that you and me can really be....

Don't leave me (Don't leave me)
Out on a limb (out on a limb)
Can you see me (Can you see me)
Here on the edge (Here on the edge)
Boy don't tell me no, don't tell me no
while my heart is fragile, oooooh
La la la la la la la la oh oh fragile lalalalalalalalala eh
Boy dont tell me no, dont tell me no
cos my heart is fragile, oh oh oh oh
