

Out of Control

Chrisette Michele

I'm out of control
Look after my soul
This world is working me
I'm losing my flow
Where is her, where is her mind
Left it behind
Somewhere between a crazy
And a crazier moment
I lost track of time

Yeah I've been bad (Bad) so bad
Pushing and plain misbehaving, nothing but complaining
Been scared (Scared) and blue
I know I [?] but I'm just so confused
Call me blessed (Blessed) they don't know
How bad I cry me in dirt every night

I could lose it
Almost lost it
Right on the edge
Someone pull me back please

I'm out of control
Look after my soul
This world is working me (Working me)
Losing my flow
Where is her, where is her mind
Left it behind
Somewhere between a crazy
And a crazier moment
I lost track of time

And I know God forgives
How can I forgive myself
How I treated myself
Ain't been my own friend
Ain't followed a dream or oppressors
The good Lord known well
Trust me, I know the truth
Raised by a preacher and born on [?]
I'm not perfect (Perfect) yeah I know it
But I'm better than this, I am...

Out of control
Look after my soul
This world is working me (Working me, working me)
Losing my flow
Where is her, where is her mind
Left it behind
Somewhere between a crazy
And a crazier moment
I lost track of time, oh

I'm outta control
(Look after my soul) Look after my soul
(This world is working me) This world is working me
(Losing my flow) And I'm losing my flow

Where is my mind (Where is my mind)
Did I leave it behind (I left it behind)
Somewhere between a crazy (Somewhere)
And a crazier moment (Somewhere)
I've lost track of time
