

Work It Out

Chrisette Michele

I can't say it's easy
Feeling the way I do
I can't say it's simple
Being so into you (no no)
Some may say I'm crazy
I may say that's true

I can't think of nothing better
Than loving you far as I can see
We'll be alright but when life goes wrong
Love works it out oh

Work it out love
That's what we're gonna do
Life without you
That can be sad and blue
Work it out love
I'm gonna stay with you
I can't think of nothing better
Than loving you

I walked a long road
I won't complain
I'll give it all up
And you do the same
Call it 50/50
My love's for you

Grown folks told me true love
Lasts long it will never go
I will never leave
Say you'll stay too
