

Play Me Out

Chrishan

Baby you could change in them like a transformer,
Giving me ...
You see did it, yeah, I'm too...
But I bet...
Only what you say to your friends,
Telling them my business like it's front page.
...but guess again,
Cause I ain't the nigger that you gonna play!

Who's, who's paying the bills?
Who's ... now?
Who's getting your nails done?
Shall I keep it real?
Cause we're behaving wrong,
So I know the deal,
You said you want a real man
What a f-ck I was supposed to feel?
Baby I like that! Oh, oh, oh!
Baby I like that!
O, oh, oh, oh!

Honey, you've been swearing not to get me wrecked up,
Play me for a fool, think again you got me f-cked up!
Cause all along I've been with Keisha,
Downtown with Felicia, now I got it better!
I heard what you said,
You want me back!
Cause you're missing all the Gucci, the Prada bags.
But you and me is over,
You had your chance!
Go find another nigger like me!

Who's, who's paying the bills?
Who's ... now?
Who's getting your nails done?
Shall I keep it real?
Cause we're behaving wrong,
So I know the deal,
You said you want a real man

What a f-ck I was supposed to feel?
Baby I like that! Oh, oh, oh!
Baby I like that!
O, oh, oh, oh!

Yeah! She tried to play me, yeah!
She tried to do me dirty!
She was tripping the whole time,
Not even worth it!
Ha, it's cool, though,
I'm a...nigger, I'm also mother sh-t now,
...b-tches!
Your phony wholes, matched my phony ...
She asked what's in hear for her,
I'm like just d-ck.
Get it right, b-tch!
I'll make you look good,

I got a better b-tch, now,
...good look!

Who's, who's paying the bills?
Who's ... now?
Who's getting your nails done?
Shall I keep it real?
Cause we're behaving wrong,
So I know the deal,
You said you want a real man
What a f-ck I was supposed to feel?
Baby I like that! Oh, oh, oh!
Baby I like that!
O, oh, oh, oh!
