

Absent Minded Me

Chrissie Hynde

Absent-minded me
Absent-minded me

I'm losing a key
Or missing a glove
Just like me to lose my love
Gotta find it
Absent-minded me

Dizzy, dopey me
Mixed-up mopey me
I'm way, way ahead
Of the game, then it starts
How did I lose my king of hearts?
Gotta find it
Absent-minded me

There's my key
Gee, I left it in the door
There's my glove on the shelf
Now if I don't find my love
I'll be losing myself
Gotta find him
Gotta find him

Absent-minded me
Absent-minded me
