

House of Cards

Chrissie Hynde

When you made me come run around
A hundred times but were out of bound
Ooh whoa
Ooh you were hands on
Took me half of yours half of mine
Fell in love for the summertime
Ooh I'm done
Ooh I came undone

When the bells start to ring and chime
You ran out of time

I can entertain myself
In your house of cards now
I can even explain myself
And tell why and how
You'll never find me
Or sneak up behind me
I can entertain myself
In your house of cards now

When you made me come run around
A hundred times in another town
Ooh whoa
Ooh you won hands down
Met me in the travel on inn
I went again and again
Ooh whoa
Ooh where the little girls go

When I heard the sound of bells toll
Baby out of control

I can entertain myself
In your house of cards now
I can even explain myself
And tell why and how
And you'll never find me
Or sneak up behind me
I can entertain myself
In your house of cards now

Now I lay me down to sleep
I pray the lord my soul to keep
If I should die before I wake
I pray the lord my soul to take
God bless mommy, daddy
Terry and grandma
And even the one who had me
He was a bad bad man

I can entertain myself
In your house of cards now
I can even explain myself
And tell why and how
Now you'll never find me
Or sneak up behind me

I can entertain myself
In your house of cards now
