

## Conjuration

### Christ Agony

Messenger of the All-Knowing  
And venomous rapture!  
Messenger of Sin, Suffering and Cries  
Enthroned be on the Throne of Bones  
And spill your blood, Lady  
To Reign the Night and Day!  
Messenger of Universe  
And all the Stars  
Your throne in blood - awaits!  
Give your light to the infidels  
And conquer the world above worlds...  
Mother of Silence!!!  
Summon the wolves and their claws  
Let the Night burn again  
Let the Crowned Father  
Be brought back from Times Bygone  
And resurrect the courageous blood...  
I summon you, Demons of the Night  
Arrive in glory and degradation!  
I summon you, Hell's Angels  
Arrive before the bloody dawn!  
Your legacy is my inspiration!  
The heritage of Night and obsession of Day  
Amen!  
For thine is the kingdom the power and the glory  
For ever and ever... a dream!
