

# Could Have Been the One

Christian Bautista

I just love that look in your face  
And makin every life your beautiful life  
He's hurt you once again  
He's leavin you and then  
Your crying you hearts to an old friend

As I am now holding you  
Trying hard to stop myself  
From telling you  
That I'm dying inside  
That I'm trying to hide  
All the feelings that I have for you

Could have been the once to love you  
I could have been the one to hold you tight  
Be the one to make you see brighter days  
Through those lonely nights  
I know that you can never really understand  
What I'm feeling inside  
All I want is for you to know  
That I could have been the one

Ohhhhh and I could not believe  
That we can never be more than just friends  
For in my heart I know that you and I  
Will be together in the end  
In the end!!!

I could have been the one to love you  
Could have been the one to hold you tight  
Be the one to make you see brighter days  
Through those lonely nights  
I know that you can never really understand  
What I'm feeling inside  
All I want is for you to know

I could have been the one to love you  
Could have been the one to hold you tight  
Be the one to make you see brighter days  
Through those lonely nights  
I know that you can never really understand  
What I'm feeling inside  
All I want is for you to know

That I could have been the one....  
I could have been the one....
