

# She Could Be

Christian Bautista

She comes inside, been playing football with the guys  
She's all highfives  
And dirty footprints on the floor  
Next thing I know  
She's hanging out  
She's got her dress and high heels on and we're alone  
I couldn't ask for nothing more  
Ooh... I love the way  
A simple smile reveals it all  
She calls my name

She could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
(Yeah) she could be  
She could be  
She could be  
Ohh...

It's friday night  
And her friends are home by nine  
We hit the show, tip the boouncer skip the line  
Next thing I know  
We're out the door  
And now she's dancing in the rain, a fragile flame  
Under the pale blue colored light  
Ohhh. . I love the way  
This girl is not afraid to fall  
She calls my name  
(She's calling out to me)

She could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
(Yeah) she could be  
She could be  
She could be

That one in a hundred million  
A secret the words been keeping  
The music that keeps  
Repeating keeps repeating inside your mind  
Like an angel on your shoulder  
That makes your colors bolder than you dare  
And you want to take her everywhere  
She could be  
Hey, yeah

Ohh... she could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more

(Yeah) she could be  
She could be  
She could be ll I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
(Yeah) she could be  
She could be  
She could be  
Ohh...
