

## All I Wanna Do

Christian Kane

My faith is real  
And my hope is true.  
Some kinda feelin'  
That I share with you.  
I'm gonna keep on believin'  
Anyway that I can.  
And all I wanna do is hold on to the memory of you.  
And all I wanna do is talk to that someone I knew.  
Straight from my heart tangled in blues  
I tell myself I'm not missin' you,  
When as long that it's over  
I'll still think of you.  
I'll think of you.
