Missing You

Christian Walz

Missin you like Missin you like crazy Wish you were here right by my side Missin you like Missin you like crazy Cant let you go My heart wont lie Now please don't cry Im not gonna let it die You are the one You are the one I never will say goodbye You are the one You are the one Never will say goodbye Kissin you like Kissin you like crazy You got me right here with a smile Kissin you like Kissin you like crazy Remember all of our desires Oh please don't cry, Im not gonna let it die You are the one You are the one I Never will say goodbye You are the one You are the one I never will say goodbye (3x) Now you're away and we have spent so little time You gotta show me just enough to make you mine You think you make it up with roses and some wine Don't worry babe, I know you You are the one You are the one I never will say goodbye (4x)
