

# Breakaway

Christie

Don't know why I trusted you  
Never really wanted to and now  
I'm on the run  
Guess you took me for a ride  
Now I need a place to hide away  
Hide away  
Fear is pounding in my brain  
How much longer can I stand the strain

Gotta break away, break away  
'Cause they're watching every single move I make

It would be a piece of cake  
50,000 bucks we'd make, you said  
That's what you said  
I can't spend the money now  
Guess I'll dig it underground and wait  
For another day  
Now I got no time to lose  
Wish I was in someone else's shoes

Gotta break away, break away  
'Cause they're watching every single move I make

Break away...
