

## Country Boy

Christie

Working in the city every day  
Gotta make a living any way  
Never get the time to turn around  
Gotta get my feet back on the ground  
Living in the city don't bring me no joy  
'Cos deep down inside I'm still just a country boy

Since I was a boy I'd played it cool  
Never used to worry what I'd do  
Now I push a pen from nine till five  
Waiting for my pension to arrive  
Living in the city don't bring me no joy  
'Cos deep down inside I'm still just a country boy

Queen of the River, she's so fine  
Gonna take a trip back down the line  
Back to the country one more time  
Try and find myself some peace of mind  
Living in the city don't bring me no joy  
'Cos deep down inside I'm still just a country boy  
Country boy .. etc
