

I'm leaving today
Living it, leaving it to change

Slowly drifting into a peaceful breeze
Tongue tied, twisted are all my memories
Celebrating a fantasy come true
Packing all my bags finally on the move

I'm leaving today
I'm living it, leaving it to change

As I'm driving I'm captured by the view
So much beauty, the road becomes my muse
The heat is rising and my hands surfs through the wind
Cool, calm, collected is a child that lies within

I'm leaving today
I'm living it, I'm leaving it to change
I'm leaving today
I'm living it, I'm leaving it to change
But somehow I'll miss it
I think I'll really miss it

I turn up the radio
And I'm feeling like I've never felt before
Turn down the memories of yesteryears and broken dreams
I'm free, finally free

Slowly drifting into a peaceful breeze

I'm leaving today
I'm living it, leaving it to change
See I'm leaving today
I'm living it, I'm leaving it to change
I'm leaving today (I'm leaving it to change)
Living it, I'm leaving it to change

Living it, leaving it
Said I'm living it, leaving it
Living it, leaving it to change
(I'm leaving it to change)
But somehow I'll miss it
I think I'll really miss it
One day
