Get Away

Christina Milian

Baby, you know I've been thinking about you
And I've been thinking we should get together
But I know you got somebody.
And I do too but I got one Question.
Can you get away?

I've been looking to get away from him.
I've been looking to get away from her
But we got's to find a way. Babe.
I've been looking to get away since I found you.

On the very days you need to hang
?cause I'm thinking about hanging my name.
This relationship is getting crazy.
Lay, lay, lay, lay, lay.
I've been feeling this way from back when.
Now it?s time I turned you in.
May be now maybe we can be friends.
Lay, lay, lay, lay, lay.

Can we get away? Get out tonight.
Meet me up at the club mama.
Can we get away? Get out tonight cause I'm free baby.
Can you get away? Get out tonight.
Meet me up at the club mama.
Can you get away? Get out tonight cause I'm free baby.

Cause I need a career man in my life.
Baby I give you me, myself and I.
And if you can get near me.
There will be no more pain.
Well come on boy and love me, love me, love me.
After all that has change. I know, I know men play games.
All I want to know if you are the same.
Take a chance girl and love me love me, love me.

Can we get away? Get out tonight. Meet me up at the club mama.
Can we get away? Get out tonight cause I'm free baby.
Can you get away? Get out tonight. Meet me up at the club mama.
Can you get away? Get out tonight cause I'm free baby.

I'm not your man so I'm feeling like a one nightstand
Might be convenient for the both I know you feel me.
Boy come on lets do it. Step up to it. Lets give our love a chance.
And then you are loving me. Kiss, hug and double me.
I try to get it where you can't get enough of me.
Baby girl I just want to be free.
And come one boy and love me, love me, love me.

Can we get away? Get out tonight. Meet me up at the club mama.
Can we get away? Get out tonight cause I'm free baby.
Can you get away? Get out tonight. Meet me up at the club mama.
Can you get away? Get out tonight cause I'm free baby.
