see'mon!

Spending time with you (yeah yeah yeah)  
Makes me feel real good (uh uh uh)  
All my days with you  
Makes me say ooh - ooh oooh (yeah yeah yeah)

Darling when I look at you  
It always makes me feel real good  
And I know I kind of fell for you  
Like I never thought I would (never thought I would)  
And baby when I think of you  
It always brightens up my smile (my smile)  
So won't you come on over boy and just stay with me for a while  
I love when I'm...

And baby when I'm feeling down  
It's always you that makes me right  
It seems like you're the only one that can satisfy my appetite  
And even when its pouring rain  
I can't wait to see your face (see your face)  
Because you bring my sunshine back and you just can't be replaced  
I love when I'm...

Now listen  
If I spend my days with you  
Is timing for me or are you geniuz?  
'Cause I spend my nights with you

Only if you my man and not a one night stand  
I got plans on loving you  
I follow your lead cause you all I need  
So easy, with that thug in you

Take it slow we gon' pace the flow  
I know you're thinking devilish  
Cause the girl roll 1-8-7ish (Murda!)  
Get it back, my lifestyle not my wife style

Boy, I only hold mics on the tv  
Hold hands when you need me, believe me  
See be always on guard  
But timing makes me love her, yeah

So put your ex's in check  
They exit, I'm next, accept it  
My time in minds imperfected, Chuck!

Everyday and every night  
I can't wait to have you by my side (have you by my side)  
Have you by my side (have you by my side)  
Everyday and every night  
I can't wait to have you by my side (have you by my side)  
Have you by my side
