

# I Don't Wanna Break

Christina Perri

Woke up such a bad dream  
I stayed, you were leaving  
With my heart, you were stealing  
I don't care, I'd let you take it

Showed up, like a good girl  
I fell for your fable  
But I'm no Cinderella  
I don't care, I'd let you take it

Put us back together  
You said, it's forever  
But I know you're pretending  
I don't care, I'd let you take it  
All again

And I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your

I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your

Whoa oh oh, whoa oh oh  
(Don't wanna break in your)

And if it gets harder  
Then I don't wanna break all alone  
I wanna break in your arms

Sometimes, when I'm sleeping  
I still, feel you breathing  
You stole, all my good dreams  
I don't care, I'd let you take it

Come on, listen closely  
To the sound, that our love made  
If you go, I would follow  
I don't care, I'd let you take it,  
All again

I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your

And I just wanna love you  
Don't wanna lose me

Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your

Whoa oh oh, whoa oh oh, whoa oh

And if it gets harder  
Then I don't wanna break all alone  
I wanna break in your

Whoa oh oh, whoa oh oh (Don't wanna break in your)  
Whoa oh oh (Don't wanna break in your arms)  
Whoa oh oh (Don't wanna break in your)  
Whoa oh oh (Don't wanna break in your arms)  
Whoa oh oh (Don't wanna break in your arms)  
Whoa oh oh (Don't wanna break in your arms)  
Whoa oh oh, whoa oh

And I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your arms
