

Sea of Lovers

Christina Perri

A certain type of wind has swept me up
But till it's found each bone
I, I'm overcome
There is an icy breath that escapes my lips
And I am lost again
A certain type of darkness is stalling me
Under a quite mask of uncertainty
I wait for light like water from the sky
And I am lost again

In the sea of lovers without ships
And lovers without sign
You're the only way out of this
Sea of lovers losing time
And lovers losing hope
Will you let me follow you
Wherever you go
Bring me home

A certain type of silence's filled my voice
A scream beneath the water make no noise
All my prayers go quiet and never heard
And I am lost again

In the sea of lovers without ships
And lovers without sign
You're the only way out of this
Sea of lovers losing time
And lovers losing hope
Will you let me follow you
Wherever you go
Bring me home

A certain type of wind has swept me up
But till it's found each bone
I, I'm overcome
There is an icy breath that escapes my lips
And I am lost again

In the sea of lovers without ships
And lovers without sign
You're the only way out of this
Sea of lovers losing time
And lovers losing hope
You're the only way out of this
Sea of lovers without ships
And lovers without sign
You're the only way out of this
Sea of lovers losing time
And lovers losing hope
Will you let me follow you
Wherever you go
Bring me home
