

# It's You That Really Matters

Christopher Cross

Keeping it straight is still the hardest part  
Living the truth inside your heart of hearts  
I sang a song that you believed  
You came inside - don't ever leave  
You are the one who really matters

I had a dream that carried me  
You are the one who set it free  
You are the one

And around and around and around  
The world has always turned  
I wanted warmth - your love burned  
You gave it all - I won't do less  
Maybe you know but I'll confess  
That you are the one who really matters

I had a dream that carried me  
You are the one who set it free  
You are the one  
We see the things no one else can see  
There is a way for you and me  
We will be the ones

And in the music  
There are words that say  
Everything that you feel today

Every time I'm lost out in the night  
I look for memories of light  
You are the one I want to see  
You are the one who reached for me  
You are the one who really matters

We saw the things no one else could see  
There was a way for you and me  
We were the ones

And when someday comes along  
The love we gave will still go on  
We will be the ones
