Whooa, Christopher, and Madcon!

She wanted all night  
She wanted get it with me  
She wanted all night  
She wanted f with me  
She wanted all night  
Yeah!  
She wanted all night  
Yeah!

Here's goes a story about a bad chick  
And she got a habit  
Fast cars, and money, and she living lavish  
I mean her really get a unique magic  
And I ain't talking tricks, no thrills, no rabbit  
Now usually I'm not the one to go chasing  
But here's a really sticky situation  
It's not that complicated  
'Cause neither of us want a conversation  
I just want the honey and she wants the invitation

She wants the red carpet, I'ma roll it out  
She's the type of model that I dream about  
Let me open up the door like you'd wear a crown  
And we can fool around

Beauty Queen, jump on my limousine  
And ride it aaaa-all night long, aaaa-all night long  
It's so fantastic even when there's traffic  
Driving aaaa-all night long, aaaa-all night long

She wanted all night  
She wanted get it with me  
She wanted all night  
She wanted f with me  
She wanted all night  
Yeah!  
She wanted all night  
Yeah!

Now, let's fast forward just a little bit  
Been about a month or two, and I'm really feeling it  
I can't live without it, she's addicted to the d  
Tell me she's in heaven when she's looking at me  
But I don't really blame her 'cause I give it to her good  
Give it to her strong like it's made out of wood  
Got the girl craving  
She even staring downtown when I'm shaving  
Telling "It's amazing!"  
"His look so awesome!"

She wants the red carpet, I'ma roll it out  
She's the type of model that I dream about  
Let me open up the door like you'd wear a crown

She wanted all night

She wanted all night  
Yeah!  
She wanted all night  
Yeah!

Everything about her is tripled-up  
Like they ain't in it  
I can see her freak though the chill it's kinda innocent  
Shinning though she lowkey, worth the hell money  
I can spot the heat like my vision's on the infrared  
She like the sprinkle on a cake  
She the cheese on a burger  
The roll in my stake  
She the bee to my nectar  
I've been stunned  
'Cause you're the one I've dream about forever  
I really would like to know you, baby  
I really would like to please you!

Beauty Queen, jump on my limousine  
And ride it aaaa-all night long, aaaa-all night long  
It's so fantastic even when there's traffic  
Driving aaaa-all night long, aaaa-all night long
