

Cúnla

Christy Moore

Who is that there knocking the window pane
Who is that there knocking the window pane
Who is that there knocking the window pane
Only me says Cúnla

Cúnla dear, don't come any near to me
Cúnla dear, don't come any near to me
Cúnla dear, don't come any near to me
Maybe's I shouldn't says Cúnla

Who is that there tickling the toes of me
Only me says Cúnla

Who is that there tickling the thighs of me
Only me says Cúnla

Who is that there taking the clothes off me
Only me says Cúnla
