Cúnla

Christy Moore

Who is that there knocking the window pane Who is that there knocking the window pane Who is that there knocking the window pane Only me says Cúnla

Cúnla dear, don't come any near to me Cúnla dear, don't come any near to me Cúnla dear, don't come any near to me Maybe's I shouldn't says Cúnla

Who is that there tickling the toes of me Only me says Cúnla

Who is that there tickling the thighs of me Only me says Cúnla

Who is that there taking the clothes off me Only me says Cúnla
