Everybody knew, but nobody said...

Green grows the lily-o Right among the bushes-o

A gentleman was passing by And he asked for a drink as he was dry At the well below the valley-o Green grows the lily-o Right among the bushes-o

My cup is full up to the brim
And if I were to stoop I might fall in
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o

If your true love was passing by You'd fill him a drink if he was dry At the well below the valley-o Green grows the lily-o Right among the bushes-o

She swore by grass, she swore by corn Her true love had never been born At the well below the valley-o Green grows the lily-o Right among the bushes-o

He said to her you're swearing wrong Six fine children you've had born At the well below the valley-o Green grows the lily-o Right among the bushes-o

If you be a man of noble fame You'll tell to me the father of them At the well below the valley-o Green grows the lily-o Right among the bushes-o

There's one of them by your brother John At the well below the valley-o One of them by your Uncle Don At the well below the valley-o Two of them by your father dear At the well below the valley-o Green grows the lily-o Right among the bushes-o

If you be a man of noble fame You'll tell to me what did happen to them At the well below the valley-o Green grows the lily-o Right among the bushes-o

There's one of them buried beneath the tree

At the well below the valley-o
Another two buried beneath the stone
At the well below the valley-o
Two of them outside the graveyard wall
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o

If you be a man of noble fame You'll tell to me what will happen myself At the well below the valley-o Green grows the lily-o Right among the bushes-o

You'll be seven years a-ringing a bell At the well below the valley-o And seven years a-burning in hell At the well below the valley-o

I'll be seven years a-ringing a bell
But the Lord above may save my soul
From burning in hell at the well below the valley-o
Green grows the lily-o
Right among the bushes-o
Right among the bushes-o
