

Well Below The Valley

Christy Moore

Green grows the lily-o
Right among the bushes-o
A gentleman was passing by
And he asked for a drink as he was dry
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
My cup is full up to the brim
And if I were to stoop I might fall in
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
If your true love was passing by
You'd fill him a drink if he was dry
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
She swore by grass, she swore by corn
Her true love had never been born
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
He said to her you're swearing wrong
Six fine children you've had born
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
If you be a man of noble fame
You'll tell to me the father of them
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
There's one of them by your brother John
At the well below the valley-o
One of them by your Uncle Don
At the well below the valley-o
Two of them by your father dear
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
If you be a man of noble fame
You'll tell to me what did happen to them
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
There's one of them buried beneath the tree
At the well below the valley-o
Another two buried beneath the stone
At the well below the valley-o
Two of them outside the graveyard wall
At the well below the valley-o
Green grows the lily-o
Right among the bushes-o
If you be a man of noble fame
You'll tell to me what will happen myself
At the well below the valley-o
Green grows the lily-o

Right among the bushes-o
You'll be seven years a-ringing a bell
At the well below the valley-o
And seven years a-burning in hell
At the well below the valley-o
I'll be seven years a-ringing a bell
But the Lord above may save my soul
From burning in hell at the well below the valley-o
Green grows the lily-o
Right among the bushes-o
Green grows the lily-o
Right among the bushes-o
