

## Healer

## Chromatics

Healer,  
The lazy cries  
Lampshades,  
Doused in gasoline  
Healer,  
Our last goodbye  
Waving,  
From rusted balconies

Healer,

Deceitful eyes  
Witness,  
The false atrocities  
Healer,  
The poor disguise  
Being here's,  
A lust for vanity

Ooh.
