

Satisfy My Soul

Chrome Division

18 on my hands so hit me with one more
I'll turn the card, it's even better than before
Four wheels rolling, snake eyes on the dice
I'll take a chance if it'll cover up my loss

There is something worth living for
It ain't no worth the ride
Just bring it all to me and turn off the lights

Satisfy my soul
Satisfy it with alcohol
Satisfy my soul
I'm all dressed up and ready to roll

Satisfy my soul
Satisfy it with alcohol
Satisfy my soul
I'm all dressed up and ready to roll

yeah!

Make it a double I know how to keep myself
Need another round I don't care about my health
My good friend Jack will lead me to the sound
In the bottom of the bottle the answer is found

There is something worth living for
It ain't no worth the ride
Just bring it all to me and turn off the lights

Satisfy my soul
Satisfy it with alcohol
Satisfy my soul
I'm all dressed up and ready to roll

Satisfy my soul
Satisfy it with alcohol
Satisfy my soul
I'm all dressed up and ready to roll
