

Don't Walk Away

Chromeo

I'll say it one more time
Let you know what's on my mind
Because it's plain to see
That I love you with every beat of my heart

But it seems to me
That you lost your sensibility
Suddenly we're back to where we were at the start

I wonder what made you cynical
When you decided it was time to go

Don't walk away
Leave me to stay
If you don't turn away
We can be lovers

I can never turn my back on something so deep
Something that was like a part of me
Because obviously I owe you every beat of my heart

Would it matter to me
You kept back when we disagree
And it dawned on me that emotions got us far apart

I wonder what made you cynical
When you decided it was time to go

Don't walk away
Leave me to stay
If you don't turn away
We can be lovers

I wonder what made you cynical
When you decided it was time to go

Don't walk away
Leave me to stay
If you don't turn away
We can be lovers

Don't walk away
Leave me to stay
If you don't turn away
We can be lovers
